

NACO QUIET AND PROMISES TO REMAIN SO

Reports Alleging That Americans Have Been Ordered Out of Naco Denied in Toto. Fighting South of Douglas.

Naco is quiet. The report which emanated from Washington Tuesday to the effect that all Americans in Naco, Sonora, had been ordered out, was disproved yesterday and the added statement was made that the Americans in Naco were perfectly safe and looking for a long time of peace and quiet in the border town.

There is not a soldier in the town of Naco, according to the declaration of Americans living there, and substantiated by the Maytorena civil authorities. Of police there are a number but these have nothing in common with the military, according to both the officials and residents of Naco.

The report, from Douglas and Agua Prieta, to the effect that a command from the Calles garrison had defeated a much larger force of Col. Trujillo's men south and west of Douglas with disastrous results to the latter, was denied. It was expected that a scouting party from Col. Trujillo's command encountered a much larger force of Col. Max Joffre and retreated with a small loss.

The fact that the Calles command returned to Agua Prieta instead of pursuing the Maytorenas and inflicting additional damage upon them, appears to verify the conventionalist side of the question.

Douglas information would have it that Col. Samanillo, and his band of roving cavalrymen, have not been heard from in Agua Prieta in several days. That they are probably hemmed in by several Maytorena detachments appears probable. Col. Trujillo, in his report, declared that he was still south of Agua Prieta and searching for the Calles cavalry leader.

Hub Verbeck, a saloon man of Naco, was in Bisbee yesterday and stated that there was no uneasiness in the Mexican town. He stated that the Americans were treated exceptionally well and that there was no information on their part that the Americans would be excluded. He said the police officials of the Mexican town were universally courteous and that there was no complaint to make on any apprehension to be felt.

"TIZ" PUTS JOY IN SORE, ACHING FEET

Use "TIZ" for tired, tender, swollen, sweaty, calloused feet and corns—it's grand!

"TIZ" makes sore, burning, tired feet fairly dance with delight. Away go the aches and pains, the corns, blisters, bunions and chilblains.

"TIZ" draws out the acids and poisons that puff up your feet. No matter how hard you work, how long you dance, how far you walk, or how long you remain on your feet, "TIZ" brings restful foot comfort. "TIZ" is magical, grand, wonderful for tired, swelling, aching feet. Ah! how comfortable, how happy you feel. Your feet just tingle for joy; shoes never hurt or seem tight. Get a 25 cent box of "TIZ" now from any druggist or department store. End foot torture forever—wear smaller shoes, keep your feet fresh, sweet and happy. Just think a whole year's foot comfort for only 25 cents.

SUBSTANTIAL IS GAIN IN SCHOOL CENSUS

A Gain of 137 Is Registered in School Census Just Completed. Report Is Great Showing for District.

A gain of 137 over a year ago is a most gratifying feature of the detailed report of J. G. Pritchard, school census taker, which was yesterday completed. In view of laxity of mine labor conditions, the gain is somewhat surprising. With a total of 2233 children attending the Bisbee school at the present time indications are that the figures will reach an impressive mark within a few months, when the mines are once more employing their large forces.

Principal phases of the report show that the number of white boys between the ages of 6 and 21 in the schools are 1372; girls of same age, 1647; colored boys between 6 and 21, 81; girls, 6; number of children between 5 and 16, white, 1871; colored, 8; children of native born parents, 2677; native born with one parent foreign, 955; foreign born with both parents foreign, 81.

Superintendent of Schools C. F. Pritchard is well pleased with the attendance record of the children in view of the great amount of sickness and severity of the winter.

MISS NELLIE HUNT WEDS WELL KNOWN MINING ENGINEER

Popular Bisbee Girl Becomes the Bride of E. B. Ryder; Ceremony Is Performed in Beautiful Floral Setting.

A pretty home wedding was solemnized at 8 o'clock last evening at the Hunt residence in Sulphur Springs Valley, when Miss Nellie Hunt became the bride of Ezra B. Ryder. The ceremony was performed by Rev. J. E. Fry, pastor of the Presbyterian Church, the bridal couple standing amid surrounding of great floral beauty.

The bride was extremely pretty in her traveling suit of gray. She was attended by Miss Olive Krigbaum as bridesmaid, while her sister, Miss Beulah Hunt, acted as maid of honor. Robert Manson was best man. The home was decorated in a tasteful scheme of violets, lilacs and pink and white carnations. A buffet lunch was served after the ceremony.

The bride, who is a sister of Dr. C. H. Hunt, has been employed as a clerk at the postoffice. She is extremely popular, both among her business and social associates. Mr. Ryder is a mining engineer in the employ of the Copper Queen company.

Mr. and Mrs. Ryder left last night for a bridal trip to San Francisco.

OFFICERS MAKE AUTOMOBILE ARRESTS

Officers Declare They Intend To Enforce the State Laws as Well as the City Ordinances. Several Arrested.

That the officers of the Warren District intend that the state laws shall be lived up to was proven yesterday when several arrests were made in Lowell. Several people were halted before Judge George H. Smith and warned that a reappearance before the justice would bear his special disfavor.

One of the arrests yesterday, was made on account of excessive speed around the car stop in Lowell. This point is considered the worst traffic spot in the entire District and many motorists have been in the habit of endeavoring to see what speed could be made around the corner. This must stop, according to the officers.

Another case of warning, yesterday, was for the failure of motorists to have two license tags displayed on the machine. According to the state laws, one license tag must be conspicuously placed in front of the machine and the other on the rear of the car. In many cases one of the other of these have been neglected.

Several automobilists have been stopped because they had 1914 licenses on their machines. The officers are after this practice also, and it would seem advisable that when an auto driver or owner sends to the secretary for a license, he should secure a receipt for the money through a post office or express money order. That will be sufficient guarantee for the officers that the applicant is really that and not making the excuse.

The city officers of Bisbee are also on the look out for infringements of the motor laws of both state and city. They declare that fast driving must stop and intend to put forth an additional effort in order to see that motor traffic, as well as all other traffic, is protected.

BIG STORE EVENT AT THE ROYAL THEATRE

Tonight the great Spruceby and Perkins Mercantile Company with their gigantic country store will hold full house at the Royal. This new venture has started out with a great boom and everyone enjoys the country store night with its hour and a half of real fun. In the picture program, there will be the Heart Selig latest war and news pictorial which show the most important events in the world's current history. This pictorial is very entertaining and instructive.

The Kalem Company is sending the first of its great detective series, each series complete in itself. This opening play is entitled "The Affair at the Deserted House" and its two reels are streaming in action and scenes. Three other licensed features will also be shown.

On Friday Lew Dockstadter will hold the boards in Hal Reid's great five reel war masterpiece, "Dan." This is an All Star Feature Corporation production and with famous Dockstadter in the lead.

Blood Risings Begin A Mere Speck

Stop Them From Growing Large and Dangerous.

Nearly everyone who uses S. & S. for the blood recalls a friend who went through untold suffering as the result of a mere pimple or small blood rising. A host of people did not realize, until too late, what may result from a slight skin eruption, if they recovered if they used S. & S. and in almost every village and hamlet, every crossroad and away back on the road is someone who will tell you how S. & S. the famous blood purifier, restored his health.

It is a most interesting fact that this remarkable vegetable medicine overhauls the blood in a manner that excites curious minds.

But it acts in accordance with accepted physiological laws and yet its effect is almost beyond comprehension in those who are wedded to such drugs as mercury, calomel, arsenic, iodine of potassium, copper and other harmful substances which all the world bears silent testimony to their destructive tendencies.

VALLEY FARMERS PLAN BIG BARBECUE

April 18 Is Date Set For Gala Event at Double Adobe Crossing Schoolhouse

When the Warren District excursionists reach the Double Adobe school house on April 11, it is probable that personal invitations will be extended to them to come again. They may be urged to come many times more but the special invitation will be for a week later to attend a big picnic and barbecue. It may also be expected that a large number of acceptances to the invitation will be given "right off the bat."

That section of the Sulphur Spring Valley that is contiguous to the Double Adobe crossing has been largely settled by people who were formerly residents of the Warren District. Meetings between them and residents of Bisbee, Lowell and Warren are therefore something of a reunion. Last fall a picnic was held at the school house on the other side of the Double Adobe crossing which was so successful that it was decided to hold another in the spring. These plans are now to be carried out. They will in no way interfere with the Businessmen's Citizens' excursion from here but that event will be used as the occasion for the issuance of personal invitations to those who that day go out into the valley.

Just what the valley farmers will do has not been announced beyond the statement there will be a barbecue, picnic and all sorts of good things to eat and the best of times generally.

CAPTIVE SCIENTIST WAS SUSPECTED AS SPY

PARIS, Mar. 31.—Various rumors have circulated in Paris regarding the

Beware of Ointments for Catarrh that Contain Mercury

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 50c per bottle. Take Hall's Family Pills for constipation.
